

REACH

Registration, Evaluation and Authorisation of Chemicals

Aspen Pumps Groups hereby declare that:

- Aspen Pumps
- Xtra
- Big Foot Systems

Products do not require REACH registration as;

- Under the structure of the REACH Regulation, we do not manufacture or supply "substances" or "preparations" and our "**articles**" do not involve the "intentional release of substances". Accordingly, we foresee no registration or pre-registration requirement for our products.
- Article notification and communication is not required as no hazardous substances are released to humans or the environment during normal conditions of use, including disposal
- The "**articles**" manufactured contain no substances subject to authorisation.
- Chemical Safety Report / Risk Management Communication are not required, as our suppliers have already registered these substances for our use.

Safety Data Sheets are supplied for finished goods that contain chemical mixtures.

If you require any further information, please contact us.
