

Silent+ Mini White

CONDENSATE REMOVAL PUMP

Incredibly quiet, easy to install and maintain, the Silent+ Mini White has been designed to fit either side beneath high wall indoor units. A double insulated reservoir eliminates condensation and is simple to unclip for cleaning and maintenance.

12 US Gal/h
(45L/h) max. flow

33ft / 10m max. rec.
head (flow rate 23L/h)

As low as 16dB(A)
when operating
